

## BACK TO SCHOOL NIGHT

Thursday, September 20, 2018

### Schedule

We welcome you to The Prout School's *Back to School Night*, an opportunity for you to experience an overview of your student's typical day and put a face with each teacher's name. Please note that with such short periods, you will not have time to speak to the teachers about any specific concerns you may have. You will, however, have the opportunity to speak in depth with your student's teachers at the Parent Teacher Conferences on November 15.

Of course, you may contact teachers any time via email or voice mailbox. Faculty (and staff) contact information is on our website at [www.theproutschool.org](http://www.theproutschool.org). Click on About Us, then Contact Information and Directions, then click on the bar for *Faculty and Staff Contact Information*.
