## **HISTORY**

The Prout School is a Catholic co-educational high school operated by the Diocese of Providence.

Situated on 25 acres of forest and field, Prout was founded in 1966 as Prout Memorial High School for girls. The school was built by the Sisters of the Cross and Passion (Passionists) to serve the needs of the families in the Washington and Kent County area and was named after the religious community's foundress, Elizabeth (Mother Mary Joseph) Prout. In January 1987, responding to the need for a co-ed Catholic high school in southern Rhode Island, the school opened its doors to young men. Today Prout Memorial School is known simply as The Prout School.

#### **HERALDRY**

**THE CROSS:** Symbol of the faith by which we accept Christ, his teaching and his law, as embodied in his Church.

**THE BOOK:** Symbol of the knowledge of God and of all his works in the world, to be acquired during the years in school.

**THE TORCH:** Symbol of the light of Christian living which the students must carry into the world of careers for which their spiritual and academic training is preparing them.

**THE DOVE:** Symbol of the Holy Spirit, the Spirit of peace. Brooding over all, guiding and rewarding the students striving after the goodness (justitia) which, as they learn in their school days, is to be found in the observance of God's laws. Christ said, "If you love me, keep my commandments." The Passionist Sign binds the four quarters.

#### **SCHOOL MOTTO: FRUCTUS JUSTITIAE PAX "PEACE IS THE FRUIT OF JUSTICE"**

## **STUDENT EVALUATION**

### **GRADING SYSTEM**

Report cards are issued every quarter. Prout uses numerical grades and a number system for effort and attendance for each student.

Quarter averages are determined by a simple class average of tests,

quizzes, and homework as determined by the course requirements.

Semester averages are determined by each quarter counting 40% and the semester exams counting 20%. Final grades are determined by averaging the first and second semester averages.

Classes meeting for only one semester will carry over the semester grade as the final grade for that class.

If a student earns a failing grade in more than two subjects at year's end, he/she may not be allowed to return to Prout the following September.

	QPA			
	Grade		Numerical	Letter
AP/IB	Honors	College Prep		
4.96	4.63	4.3	97-100	A+
4.66	4.33	4.0	93-96	A
4.36	4.03	3.7	90-92	A-
3.96	3.63	3.3	87-89	B+
3.66	3.33	3.0	83-86	B
3.36	3.03	2.7	80-82	B-
2.96	2.63	2.3	77-79	C+
2.66	2.33	2.0	73-76	C
2.36	2.03	1.7	70-72	C-
1.66	1.33	1.0	65-66	D
0.0	0.0	0.0	64-50*	F

50 is the lowest numerical grade assigned for quarter and semester averages, unless a lower grade is approved by the Assistant Principal.

### **CHRISTIAN SERVICE HOURS**

The annual Christian Service Hours requirement will be recorded and assessed in students' Religious Studies classes. Previously, Christian Service Hours were a Graduation Requirement.

Every student in every Religious Studies class in every grade will be required to complete 20 Hours of Christian Service by the end of the 3<sup>rd</sup> Quarter. The hours will be due on March 16<sup>th</sup>, allowing the teacher enough time to determine the students' grade.

Please note: each student's service hours comprise 10 points of each student's third quarter grade. Thus, if a student does not complete the full 20 hours of Christian Service by March 16, the grade posted on *Edline* for the 3<sup>rd</sup> Quarter Religious Studies class will drop 10 points. Teachers will do their best to warn and remind students and parents as the date approaches.

Each Religious Studies teacher will determine an assignment for their class that requires the student to reflect on their completed hours. This reflection assignment will be graded according to teacher preference.

Hours completed over this past summer may count towards students' hours for this school year. Students who have already completed their hours are advised to write down what they did so they are prepared to reflect on this experience in the spring.

If students have traditionally completed their Christian Service Hours during the 4<sup>th</sup> Quarter, students should seek permission from their Religious Studies teacher for the Service Hours to count towards their 4<sup>th</sup> Quarter grade instead. These grants will be made on an individual basis depending on the teacher and the nature of the service requested. If this is the case, students should seek permission early in the year, as an extension will only be granted far in advance. Christian Service forms and specific criteria can be found on the Prout School website under the Campus Ministry link.

## **SCHEDULING AND COURSE ENROLLMENT**

Occasionally it may be necessary to drop or add a course to the list of course offerings, even after students have registered for the coming year. Course offerings are dependent on teacher availability and on subscription by a minimum number of students. Additionally, some courses are reserved for students who meet certain academic requirements, and they may also be subject to a teacher selection process.

Students are not routinely permitted to change classes once they are registered for them. It is assumed that students take proper care in registering for the appropriate classes, and that the school is doing all it can under the given circumstances to meet the needs and interests of the students.

Class changes will be made if the counselor determines that there has been an error in the schedule, an inappropriate placement has been made or a required class needs to be added.

**Wanting a different teacher, not liking a class, wanting to be with friends or different period are not legitimate reasons for a class change.**

**Required classes, once attempted, shall not be dropped. Level changes may be considered with a teacher's recommendation.**

**Guidance Counselors can authorize dropping a class within the first 15 days of school. Beyond that, Guidance Counselors must have the Assistant Principal's approval to add or drop a course.**

### **HONOR ROLL**

The Honor Roll has three categories:

Highest Honors: A numeric average of 95-100 with no grade lower than a 90.

High Honors: A numeric average of 90-94 with no grade lower than an 85.

Honors: A numeric average of 85-89 with no grade lower than a 77.

These honor categories will be granted at the end of each quarter.

### **MID-YEAR AND FINAL EXAMINATIONS**

Course requirements include exams at the mid-year and at the end of the school year. The exam schedule is published by the Assistant Principal several weeks before the examination dates.

**It is very important for parents to acquaint themselves with the following examination policies and to specifically remember that they must notify the school if their child is ill and will miss an exam. Failure to notify the school prior to an examination may result in a zero for the examination.**

### **EXAMINATION POLICIES**

- 1. Only absences due to verified illness will be excused. Students missing a final or semester exam due to vacation should not expect to be allowed to make-up the exam.**
- 2. Any student with an outstanding tuition balance, overdue library books, or athletic department uniforms will not be permitted to sit for exams.**

3. Any student who is in the building but not taking an exam must report to the designated silent study area.
4. All students must wear uniforms while taking all exams.
5. If a student does not show up for a scheduled exam, a parent must call the morning of the exam to explain the reason for absence and schedule the make-up exam; if a parent does not call, the student will not be allowed to make up the exam.
6. Each exam is two (2) hours long. Students must remain in the exam room the full two (2) hours. If a student finishes early, he/she may do other studying and should come prepared.
7. If a student uses an electronic device during an exam without the teachers' permission, the student may receive a zero.
8. **The regular bus schedule will be in effect during exam week except during make-up exams.**

### **HOMEWORK**

Students are always assigned homework. Teachers will notify verbally or in writing exactly what their homework policy is to the students and parents. An assignment may be the outgrowth of a lesson requiring further study; it may prepare for further work; it may enrich a lesson; or it may help reinforce concepts, understandings, skills, appreciations, or attitudes. Properly planned and implemented, homework can provide practice necessary to the mastery of skills, help develop student study habits, foster initiative and responsibility, and afford parents an opportunity to acquaint themselves with the school program and their child's educational progress.

Homework time suggested for grades 9-12: two to three hours per day.

### **ACADEMIC DISHONESTY**

For the purposes of The Prout School, **cheating** is defined as the presentation of any work by a student which is not entirely his/her own. In a moral environment, academic dishonesty cannot be tolerated. This applies to cheating of any kind on a quiz, test, homework, exam, project or major paper.

**Plagiarism** is an especially egregious form of cheating. Plagiarism, according to Webster's II New College Dictionary, is defined as "to steal and use the ideas or words of another as one's own." Thus, plagiarism can be easily avoided by never passing off an original idea obtained from another and crediting correctly an existing source of information. The Prout School recognizes that there are various ways

in which students may attempt to plagiarize. If a teacher suspects that plagiarism has occurred, then the proper steps should be taken.

In an effort to encourage academic integrity, teachers should respond to any violation in the following manner:

- a. Copied or plagiarized work is confiscated and given over to the content area teacher or to the supervising teacher. If cheating is suspected, the teacher presents evidence to the Assistant Principal to support the allegation and a disciplinary form will accompany the evidence.
- b. The content area teacher contacts the student's parent(s) or guardian with the details of the incident in a timely manner.
- c. In consultation with the Assistant Principal, a penalty is decided with regard to the potential allegations, ranging from losing credit for the assignment, losing the opportunity to make-up the assignment, detention, in-school/out of school suspension and/or dismissal (if applicable).
- d. A plagiarized assignment may receive no credit and the plagiarized assignment will be documented.
- e. The Assistant Principal confers with the Dean of Students with regard to the incident.
- f. The National Honor Society Advisor and the student's guidance counselor are informed of the infraction if applicable.
- g. A repeated offense will result in further disciplinary action by the Administration.

## **ACADEMIC REPORTS**

In an effort to keep parents closely informed of their child's academic progress, the following modes of communication are utilized:

- Edline – Parents are encouraged to monitor their child's Edline account which will be updated throughout the quarter.
- Progress Reports – issued to poor performing students mid-quarter
- Report Cards - approximately a week after the quarter ends.

## **PROGRESS REPORTS**

Progress Reports are issued to all students whose work is deficient to that point in the quarter. These reports must be signed by a parent and returned to the teacher within two (2) school days. If the actual form is lost, the teacher will contact the parent.

## **PROGRESS REPORT SCHEDULE - ALL GRADES**

**First Semester**                      September 23 and December 9  
**Second Semester**                  March 3 and May 5

## **REPORT CARD SCHEDULE**

November 10      January 27              April 13                      June 30

## **ACADEMIC PROBATION**

Students failing more than one subject at the end of any quarter will be placed on academic probation. They may not participate in extracurricular activities (including drama and athletics) until the next report card or progress report is issued. At that time if a student is failing less than (2) two classes, they may resume participation.

## **FAILURES**

**Students who fail a course must clear the failure through one of the options below. Students who fail more than two of their subjects may not return to The Prout School for the following year. Students who fail two subjects must meet with the principal or his/her designee to assess the needs of the student and the possibility of continuing at Prout.**

## **MAKING UP FAILED COURSES**

Failures are not eliminated from the transcript. For students making up work in summer school, a passing grade in summer school will result in a grade of 65 for the course.

**Make-Up Options:** Prior approval from the Guidance Office is required. Parents are responsible for locating tutors and summer school courses.

1. Summer school courses in an accredited school.

2. Summer tutoring of a minimum of 30 hours by an accredited teacher. A portfolio of graded work must be maintained and a letter, signed by the tutor, verifying that the student has successfully completed 30 hours in the course.
3. The student must take and pass the final exam at Prout at the end of the tutoring. A grade of 65 is recorded for the course.

### **INCOMPLETE GRADES**

If a student misses school with a documented excuse, he/she may be eligible to receive an incomplete. Incompletes can only be granted by the Assistant Principal and will include a plan for the completion of missed work. A fourth quarter incomplete must be made up within two weeks after school ends.

### **CONCUSSIONS**

The Prout School implements and supports a policy of accommodations for students who suffer from concussions upon notification from the parent and receipt of medical documentation. Teachers should refer to the student's guidance counselor for specific directions regarding accommodations.

### **STUDENTS WITH SPECIAL ACADEMIC NEEDS**

We acknowledge each student as unique in his or her learning, means of processing information, problem solving approaches, and ability to use information. We also believe each student has the right to experience academic success through hard work. We empower students to become independent learners and self-advocates with their peers, in the classroom, and in their everyday life.

We do recognize that students may have disabilities in learning, emotional, physical or other health related areas. For those students admitted with a documented disability (*Individualized Educational Plan (IEP), 504 Plan or private school plan, completed within the last year, or a neurological or psychology evaluation completed within the last 3 years*), The Prout School offers an Academic Support Service that provides students with basic strategies, academic skills and the knowledge necessary for them to realize their full potential. Our inclusive community recognizes the additional challenges many of these students face.

Our school is designed for students who are capable of completing a four year college preparatory curriculum. As IEP's and 504 plans are under the jurisdiction of public schools, The Prout School, as a private school, is not legally required to implement them nor does the school agree to alter and/or modify its curriculum to accommodate the specific needs of individual students.

We do offer reasonable accommodations dependent on resources and personnel to assist students with learning differences and disabilities in their day to day classes. Accommodations students receive are determined on a case by case basis and MAY include the following:

- Additional time on major tests or exams (up to time and ½).
- Distraction free testing environment on major tests or exams.
- Preferential seating
- Refocusing cues to gain or sustain attention

### **STUDENT RECORDS**

By law, the school will not release any student records without written authorization of that student or his/her parent. When, therefore, a student requests to have his/her records forwarded to a new school, a parent should request and sign the Third Party Release Form obtained in the main office and submit it to the main office. The Prout School is bound by Federal and State regulations regarding the release of student information.

### **TUITION AND FEES**

#### **FEES**

Specific course and activity fees (i.e., International Baccalaureate, retreats) may also be assessed.

#### **PAYMENTS**

There are three options for paying tuition:

1. One total payment on July 1st.
2. Two payments due on July 1st and December 1<sup>st</sup>
3. Monthly, through an outside tuition management service with payments beginning in July and ending in April.

#### **REFUNDS**

In order to receive a full tuition refund, less the non-refundable deposit, the parent(s) or guardian(s) must notify the admissions office in writing prior to August 1, 2016. The refund policy for cancellation after

August 1, 2016 is as follows: if enrollment is cancelled between August 1, 2016 and the end of the first quarter, with or without written notice to the admissions office, the parent(s) or guardian(s) financially responsible for the student will be obligated to pay 25% of the contracted amount. Any cancellation during the second quarter will require payment of 50% of the contract amount. Any cancellation during the third and fourth quarter will require payment of the full contract amount. There will be no refunds for students dismissed for disciplinary reasons.

## **STUDENT LIFE**

The Prout School, as a Diocesan Catholic high school, is committed to the spiritual, academic, and social development of each child. School regulations and sanctions are a means of guiding students to develop into a faithful, intelligent, and caring person.

All members of the Prout community are encouraged to be respectful to each other. The school community will flourish if school rules, regulations, and guidelines are seen as a means of helping one another to develop the self-discipline and good order which leads to a harmonious environment.

Since each individual student is a member of a community here at Prout, he/she is expected to:

**Respect Self** - i.e., wear the uniform correctly, be on time to school, classes, and appointments.

**Respect Others** - i.e., be courteous to peers and adults, respect others' privacy and belongings.

**Respect Property** - i.e., take care of equipment, one's own and others' property, school building and grounds. Taking food out of the commons and gum chewing are prohibited.

Students have the basic personal responsibility to:

- Attend school regularly and be on time.
- Attend classes and be on time.
- Abide by the rules and regulations set by the faculty and administration.
- Not to interfere with the education of others.
- Respect the rights of all others in the Prout community.

- Behave in accordance with the goals and mission of Prout **at all times**, whether in school or out in the community.

### **RESPECT FOR TEACHERS**

Parents, too, as partners in the education of their children, are expected to be respectful to teachers. The implied partnership between teachers and parents is important for the development of all students. If the partnership breaks down, parents can be required to withdraw the child from school.

### **REPUTATION OF THE SCHOOL**

Any student who engages in an activity that receives public attention that is embarrassing to The Prout School and its good name may be required to withdraw from school.

### **ID CARDS**

An ID card is issued to each student at the beginning of the school year. The ID card should be on the student when in school. The card must be presented to the main office when reporting late to school. The card should be presented when a student attends a Prout activity. Any student who does not have an ID card will be subject to disciplinary action.

### **DAILY ANNOUNCEMENTS**

In school, announcements are read over the public address system each morning during homeroom. Teachers or organizations making announcements must present them to the office by 8:00 a.m. Morning announcements will be posted on Edline daily. Students are expected to be QUIET during announcements.

### **VISITORS/VOLUNTEERS**

Special guests, parents, volunteers, and school officials are all welcome in the school. Students wishing to have a guest visit for the day must have the visit approved by the Director of Admissions three school days prior to the day of visit. Parents visiting should first report to the main office to. ALL visitors and volunteers must sign in and wear the appropriate school tag while in the building. Tags are issued at the

main office. If any parent volunteers in the school or goes on a field trip, the parent must complete a Volunteer Application, complete a criminal background check and adhere to all Prout School policies.

Students have the right to attend school in safety, without disruption or disturbance, and without interference of any kind. School officials have the duty to provide for the protection and safety of students and of school property. Any person in the building or on school grounds without supervision and authority is trespassing. Failure to leave the school building, or the school grounds, when requested, will result in prosecution. If a student guest is in the building without permission, he/she may be asked to leave the building.

### **SCHOOL CANCELLATION/SNOW DAYS/EMERGENCY NOTIFICATION**

There are a variety of systems employed to notify parents of school closings, delays, or emergency situations. These methods of communication include email delivery and a phone notification system. They will be utilized whenever appropriate or possible. Additionally, a school closing or delayed opening will typically be announced on a media network of television and radio stations provided by RIBA, the Rhode Island Broadcasters Association. If the closing is announced during the school day we will attempt to utilize the parental notification system mentioned above which consists of phone calls home and email notifications.

If Prout has school on a day that the schools in a student's town cancels on account of bad weather, that student will still be marked absent from Prout if he/she does not come to school. However, in such an emergency, the absence will be considered excused and will not count toward the maximum of fifteen absences allowed per year.

In a dangerous inclement weather situation, The Prout School does not expect that a student attend school. In the event your town or community is undergoing dangerous weather, please keep your child home. We leave this final determination up to the parents. Should stormy weather begin during the school day, necessitating the canceling of after school activities, the administration will make every effort to announce the cancellation before lunch. This will give students enough time to notify their parents. We do not recommend that you allow your child to drive to school on days of threatening weather.

All students who come to school on buses must return home on buses, unless their parents pick them up. Parents are advised to not allow students to drive on days when ice or snow may result in treacherous driving. Should an unforeseen storm occur students will not be allowed to call home to get permission to drive home early. Parents must initiate the process by calling the school.

### **PASSING TIME**

There is a four minute passing time between classes; students are to move quickly and with respect toward one another. Disruptive behavior will be addressed by the Dean of Students. Students should be on time for each class.

### **LOCKERS AND LOCKS**

Lockers are loaned for student convenience, and are assigned lockers by the Dean of Students. Students should use their lockers daily and keep them locked. Generally, students' privacy will be respected, but parents, school officials and civil authorities have access to lockers under the legal principle of *in loco parentis* (i.e., in place of parent). If necessary, a student's locker may be searched or the individual student may be searched as well as his/her belongings.

School-issued locks are required and the only locks permitted. They may be purchased during the first week of school. Students should not change lockers without permission of the Dean of Students. Books, clothing, school supplies, and valuables should be locked in lockers daily. The Prout School is not responsible for any computer, electronic device or personal property, including money, brought into school. The privilege of using a locker will be revoked should it be abused. Personal belongings left in unsecured places are not the responsibility of the school.

A second lock must be purchased to lock belongings in gym lockers during Phys. Ed. class. The belongings and lock must be removed at the end of class. Also, athletic lockers may be obtained from the Athletic Director to store athletic equipment in. Students should not leave athletic equipment in classrooms. Students are responsible to clean out lockers at the end of the school year.

## **SEARCH POLICY**

Students at The Prout School and their parents accept that the Administration of The Prout School has the right to search students, lockers, clothing, backpacks, bags, possessions, as well as vehicles parked on school property. Not allowing the Administration to perform such a search is grounds for a student's dismissal.

## **STUDENT DRIVING AND PARKING**

Seniors are permitted to drive to school and park in the designated student parking areas. Juniors will be permitted to drive on a limited basis (as space is available). All student drivers must register their cars with the Dean of Students and obtain a parking pass by the end of the first full week of school. Students must have a visible parking pass or they may be asked not to park in the school lots. **Speed limit on school grounds is 5 m.p.h.** Students may not leave the building during the school day to go to their cars. If students drive recklessly, are continually tardy, are found in their cars during school hours, break driving laws, or leave the campus during the school day, etc., driving privileges may be revoked at the discretion of the Administration.

## **SKATEBOARDS**

Skateboards are not allowed on campus.

## **PHONE POLICIES**

**Parent Messages** - Parents are asked to call school with messages for their children only when necessary. **Students are not permitted to check cell phone messages during the school day.** Please place all calls through the main office. Students may use the "student phone" in the Main Office before school, during lunchtime, and after school.

## **STUDENT OWNED CELL PHONE AND OTHER ELECTRONIC DEVICES POLICY:**

### **Cell Phones**

As the use of cell phones is disruptive to the learning process, The Prout School mandates that students not use cell phones or other electronic devices to call, text, video or message while in school between the hours of 08:07 A.M. and 02:30 P.M. unless approved for

educational purposes.

Students are not permitted to video or record the image of another student, faculty or staff members without permission. Students are not permitted to check their cell phone messages during the school day. Students are not permitted to use their cell phone while engaged in any before or after school academic activity anywhere on campus. If a student is found in possession of a cell phone during this period of time, it will be confiscated and disciplinary action will be imposed. Multiple infractions of the Prout School cell phone policies may result in confiscation for longer time periods and disciplinary action which may include suspension of participation in any club, organization, student government, extra-curricular activity, co-curricular activity and athletic activities.

### **Electronic Devices**

Electronic devices may not be used in the classroom without specific teacher approval. **All such devices must be registered with the Dean of Students prior to permission being granted for use in the classroom.** Students and their Parents/Guardians must complete The Prout School's *Regulations for Student Acceptable Use of Technology Resources; Technology Use by Students* and return it to the Dean of Students. This policy also applies to all other electronic devices, including but not limited to cellphones, laptops, earphones, tablets, I-pads, etc. Misuse of any electronic device or the schools' WIFI and WIFI password is not permitted and will result in disciplinary action which may include suspension of participation in any club, organization, student government, extra-curricular activity, co-curricular activity, athletic activities, suspension or dismissal.

Taking electronic devices to school is at the students' own risk. The Prout school takes no responsibility, financial or otherwise, for lost, confiscated, damaged or stolen electronic devices.

### **BULLYING PROHIBITION AND PREVENTION**

The Prout School will maintain an environment that is free from all forms of intimidation and harassment: physical, verbal, written, psychological, social and electronic.

Bullying is an offense against human dignity and Christian charity.

The Prout School does not tolerate any action from any member of the school community that may be defined as bullying/cyber bullying under RI statute 16-21-34.

The Prout School is working to eliminate bullying and harassment in all forms within our school in order to provide a safe and secure school climate so that all students may learn. We seek to create a school

environment where the dignity of all is guarded and where each member treats one another with respect. As such, any behavior which is contrary to this objective is unacceptable. It is important that all members of our community are aware of school policies including what bullying looks like.

**Bullying is a form of harassment. For the purposes of this policy, bullying is defined as:**

*The repeated intimidation of others by the real or threatened infliction of physical, verbal, written, electronically transmitted, or emotional abuse, or through attacks on the property of another. It may include, but not limited to actions such as verbal taunts, name-calling, and put downs, including ethnically-based or gender based verbal put downs, and extortion of money or possessions.*

Students who engage in any act of bullying while at school, at any school function, in connection with any school sponsored activity or event, or while in route to or from school are subject to school disciplinary policies, up to and including suspension and expulsion, subject to applicable due process requirements, will be imposed. Law enforcement officials shall be notified of bullying incidents as required by law.

There are four main kinds of bullying. Here are some examples:

**Physical Bullying**-when someone hits, shoves, kicks, spits or beats up on others, including damaging or stealing another student's property.

**Verbal Bullying**-name calling, mocking, hurtful teasing, using comments of a sexual or racial nature, humiliating or threatening someone, making people do things they do not want to do.

**Social bullying**-excluding others from the group, spreading gossip or rumors about others, making others look foolish, or making sure others

do not spend time with a certain person.

***Electronic bullying*** through the use of technology or any electronic communication such as but not limited:

Using a computer, e-mail, instant messaging, photo electronic or photo optical systems, phone or cellular phone text messages to threaten or hurt someone's feelings, single out, embarrass or make someone look bad, spread rumors or reveal secrets about someone. The creation of a web page or blog in which the creator assumes the identity of another person

The knowing impersonation of another person as the author of a posted content or message

The distribution by electronic means of a communication to more than one person or the posting of materials on an electronic medium that may be accessed by one or more persons, of the creation, impersonation, or distribution results in any of the conditions enumerated the Prout School bullying policy.

The school principal, or his designee, shall investigate all reports of bullying/cyber-bullying. The victim of bullying or anyone who knows of or witnesses an incident of bullying shall make a report to the school. Forms are available from the Main Office, the Guidance Office or the Dean of Students.

#### **SEXUAL HARASSMENT**

The Prout School is committed to providing an educational environment that is free of sexual harassment. Sexual harassment will not be tolerated by the Prout School in any form on or off campus. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitutes sexual harassment and will not be tolerated. It is a violation of this policy to condone sexual harassment by another person. For the purposes of this policy, to "condone" sexual harassment means to participate in such harassment by inciting, encouraging, fostering or otherwise giving support or approval to that harassment. Any student found to have sexually harassed another individual is subject to disciplinary sanctions, up to and including suspension or permanent exclusion from the school. Sexual harassment is a Class II Offense.

Retaliation against any other person because he/she complains of sexual harassment or assists a school investigation of harassment is prohibited and constitutes a Class II Offense.

### **Sexual Harassment by Students**

Students are prohibited from making unwelcome sexual advances or requests for sexual favors and from engaging in any other verbal or physical conduct of a sexual nature when those advances, requests or conduct have the purpose or effect of unreasonably interfering with the education of another student or the working environment of any employee of the Prout School by creating an intimidating, hostile, humiliating or sexually offensive educational or working environment. This includes students' conduct on campus, on the school bus or any other school related activity on or off campus.

Whether particular language or conduct constitutes sexual harassment depends upon the circumstances of the incident and will be determined by the Prout School on a case-by-case basis. The following are some examples of language and conduct which all students of the Prout School are cautioned to avoid. This is not an exhaustive list.

- Comments to, or about, any student or school employee on his/her appearance that are sexually graphic or would otherwise tend to be degrading
- Any physical contact of a sexual nature
- Jokes or other remarks with sexual content that is graphic or may otherwise be offensive to others in any form including social media.
- Sexually suggestive sounds or gestures.
- Display of objects, posters, pictures or clothing of a sexual nature.

### **Sexual Harassment by a School Employee**

It is a violation of the Prout Schools' policy and the *Policies and Procedures for the Catholic Schools of the Diocese of Providence* for any teacher, administrator, coach or other school employee, male or female, to sexually harass a student by means of any sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature.

### **Procedure for Complaint and Investigation**

If any student or parent/guardian believes that he/she has been

subjected to sexual harassment or witnessed the sexual harassment of another whether by a student, a teacher, a coach, a school employee or any other person, they should report the incident to the Principal, Vice Principal, Dean of Students or any other school personnel with whom the student feels comfortable.

It is the policy of the Prout School to have all complaints of sexual harassment promptly and fully investigated and to take any steps necessary to remedy the situation. All students, teachers, coaches, school employees or any other person, are expected to cooperate fully with any investigation of sexual harassment.

#### **STUDENT VALUABLES**

Students are cautioned not to bring large amounts of money, computers, electronic devices, or cameras to school, and if they wear glasses or watches, to keep track of them at all times. Students, not the school, are responsible for their personal property.

**The school will not take responsibility for lost or stolen items.  
Items should be locked in student lockers.**

#### **LOST AND FOUND**

“Found” articles should be brought to the Main Office. A student who has lost an article should inquire about it in the Main Office. Student belongings left lying around will be collected. Books will be kept in a cabinet in the Main Office; clothing will be collected in the Lost & Found bins in the North Commons. At the end of each semester, all items will be distributed to the needy.

#### **CAFETERIA/LUNCH**

Seniors are required to take lunch in the North Commons and all other students in the South Commons. Students are only permitted to have food or drink in the North or South Commons. Water should be kept in the locker if necessary. No food or beverages should be brought into homeroom or any classroom throughout the school day. Students are asked to pick up after themselves at lunch and to help out when asked. Students who do not comply are subject to disciplinary action.

Students may take the entire period for lunch or they may use some of the time to confer with a teacher who is free, go to Guidance, go to the Library, or one of the offices for business. They must obtain a hall pass from the teacher on lunch duty to be allowed to leave the cafeteria.

## **COMPUTERS**

Students are permitted to use laptops, PDAs, iPads, and tablets, etc. for academic purposes only during the school day. These devices **MUST** be registered with the Dean of Students prior to use in the classroom and the student must have permission from each individual teacher to use said device.

## **INTERNET USE**

Please refer to the Prout computer/internet acceptable use policy. The Prout School does not sanction the use of its name or the name of any group associated with The Prout School on any website without the expressed written consent of the Principal. Any student using or referring to the name of The Prout School on any website **including any social networking sites is subject to disciplinary action, including suspension or expulsion.**

## **ATTENDANCE**

### **ABSENCES**

Students are expected to attend all classes each day that school is in session. Students arriving in homeroom after attendance has been taken must report directly to the main office. Detention will be assigned to any student after being late to school three times in a quarter and any time thereafter during the quarter. If a student continues to be late, they will receive Saturday detention. A day lost from class can never be recaptured. Dialogue and exchange is the key to learning; therefore, attendance and participation is vital. Absence from class must be only for the most serious of reasons.

**When a student is absent from class, a parent must call the School and inform the main office or leave a voicemail between 7:30 and 8:30 a.m. The school will make every attempt to contact a parent to verify an absence.** It must be specified if a student is missing a test that day. Make-up tests will be scheduled for the first make-up day after the test is missed. Written verification of an absence must be submitted to the main office no later than the second school day following the absence. Failure to submit a written excuse will result in detention.

**A student may not participate in or attend any before or after-school activities, including athletics, on a day the student is absent.**

Fifteen absences in any one class may result in a failing grade for that course. Absences due to illness count toward the fifteen-day limit.

Attendance is taken in each class and recorded on the student transcript. For semester courses, eight absences in any one class may result in a failing grade. Students must present absent notes when they return to school. Failure to do so may result in detention.

Students exceeding these limits will be required to set up a conference with the Assistant Principal to work out a plan to avoid loss of credit. Unique circumstances, approved by the Administration, may result in an approved absence.

Students should check the Edline web site for any homework missed due to absence.

Parents are urged to make all appointments before or after school hours. Appointments made during the school day may result in a larger number of absences in one class when in fact the total number of days absent may be significantly fewer.

Seniors are allowed 2 absences for college visits with prior authorization and written documentation submitted in advance to the main office prior to the visit. These 2 absences will not count toward the 15-day limit.

The school looks with disfavor upon absences because of family vacations. We strongly urge parents to plan vacations during school recesses. In the case of absences due to vacation, teachers are not required to provide make-up work or tests. Students are responsible for missed assignments and must secure them from another student or Edline, not the teachers. Remember, a student is only allowed fifteen absences per class in a given year. More than fifteen absences may result in automatic failure. Missing a midterm or a final exam because of a family vacation may also result in automatic failure.

#### **CLASSROOM ATTENDANCE:**

##### **Excessive Absenteeism:**

Attendance will be checked carefully at the beginning of each class. Teachers will report cases of excessive unexcused absenteeism to the Dean of Students so that the student and their parent or guardian may be called in for a conference. If a student misses more than nine (9)

classes per semester, eighteen (18) totals per year, they may be subject to disciplinary action which may include suspension of participation in any club, organization, student government, extra-curricular activity, co-curricular activity, athletic activities, suspension, loss of credit for the course and/or referral to Truancy Court.

As per Policies and Procedures for Catholic School of the Diocese of Providence 4.4 (D) Students who are truant will be reported by the principal to the local public school district where the student resides. All truancy cases will be heard by Family Court.

### **TARDINESS**

Students arriving late to school after 8:08 a.m. must report directly to the Main Office to sign in and obtain a pass. The late student must present their ID card to sign in. **A parent must call or send a note explaining a student's tardiness. Parents will be contacted otherwise.** Students may be excused for tardiness if they present a doctor's, dentist or physical therapy note or if they have been to a funeral. **If a student is late more than six times in a Quarter, the student and his/her parents may be asked to come in and meet with the Dean of Students. Arrival to school after 8:45am is considered tantamount to cutting first period. Students arriving after first period must report directly to the Dean of Students with a note explaining their tardiness.**

Arrival to school after 11:00am is a tardy and a ½ day absence. **Participation in any or attendance at any before or after-school activities/athletics is not allowed that day.**

**Students are allowed a maximum of 3 tardies each quarter.**  
**Detention will be assigned for each time thereafter.**  
**Students should be allowed to leave homeroom only if they present their teacher with a signed pass or if they are called to be someplace for a specific reason.**

Students will not be allowed into any class after the second bell without presenting a valid pass. If a student is detained by a teacher or administrator from a previous class, the pass must be written by that teacher or administrator. If a student is returning to class from a guidance meeting, the pass must be written by the counselor. **Passes will not be provided by the Main Office.** Detention will be assigned if no pass is presented.

### **Classroom Tardiness:**

Students are expected to be on time to school, their classes and to be present for all Liturgy services. Teachers will record all tardiness to class unless the student has an excused tardy pass from the Main Office, Guidance, the Nurses' Office or Administration. Teachers will refer habitual tardiness to the Dean of Students. Habitual tardiness will result in detention and loss of the privilege of parking on campus if applicable.

At the discretion of Administration, the student may also be subject to additional disciplinary action which may include suspension of participation in any club, organization, student government, extra-curricular activity, co-curricular activity, athletic activities, suspension, loss of credit for the course and/or referral to Truancy Court.

### **EARLY DISMISSALS**

The school urges parents to schedule appointments after school. **However, if this is not possible and a student must be dismissed from school early, a written note must be presented to the Dean of Students by 8:30 a.m.** This note should specify the reason, time, and phone number where a parent or guardian can be reached. Telephone calls will not be accepted for early dismissal. **Students are allowed a maximum of 3 early dismissals per quarter.**

**Leaving school before 11:00 a.m. is recorded as a ½ day absence. Participation in or attendance at after-school activities are not allowed that day.**

**IMPORTANT: The school does not assume the responsibility of calling parents to verify early dismissal.**

### **EMERGENCY PROCEDURES**

As of the 2007 Rhode Island legislative session, the emergency drill requirements (RIGL 16-21-5) mandate that all public and private schools practice fifteen emergency drills per school year; fire drills, lockdowns and evacuations. All students and their parents/guardians should familiarize themselves with the Prout School Emergency Procedures.

#### **FIRE DRILL PROCEDURE**

- The signal for a fire drill will be the ringing of the fire

alarm system within the school.

- Unless other instructions are given, students should proceed with their classroom teacher in a silent and orderly manner in single file along the route indicated on the fire exit sign posted in each room.
- Should that route be blocked, students are to go to the next available exit.
- There should be absolutely no running or talking during fire emergency procedures, but students must move quickly and orderly.
- All students will return to the building and their classrooms with their teacher at the sound of the horn or as directed.

### **LOCKDOWN DRILL PROCEDURE**

Lockdown drills are used for unique circumstances.

- Head of School or his designee will announce “Lockdown.”
- All students, faculty, staff and visitors not in a classroom should immediately go into the nearest classroom or office.
- Teachers should check the hallways for students; bringing them into the classroom before closing and locking the door.
- Students should be gathered in the safest area of the room, sit on the floor and BE SILENT.
- Cell phones should not be used.
- The Lockdown Drill ends when the Head of School or his designee announces over the intercom “*The Lockdown Has Ended,*” or when the police end it.

### **EVACUATION PROCEDURES FOR STUDENTS**

- During an evacuation, students are to follow normal fire drill procedures, unless the Head of School or his designee alters the route. Follow an alternate route if the normal route is too dangerous.

- All students are to remain silent, orderly and stay with their teacher during the evacuation.
- Following your teacher, report to the designated evacuation location such as the back end of the soccer field, the campus water tower, Immaculate Conception Campus, the McGrath Judicial Center, South County Commons, Wakefield Mall, etc.
- During an evacuation, if a student is in the hallway or bathroom, the student must evacuate immediately and not attempt to re-join their class. They must report to the closest teacher, staff member or administrator and remain with them until the evacuation is concluded.
- Teachers and their students will return to their classes when the Head of School or his designee announces an “All Clear.”

#### **Parent/Guardian Responsibilities**

- Parents and legal guardians of students will be provided with a Student Emergency/Medical Information Card each year. Parents/guardians are responsible for ensuring that information on the Student Emergency/Medical Information Card is current at all times.
- It is imperative that the Prout School be notified immediately of any changes to a students’ legal custody or custodial status. Court documentation must be provided.
- In case of a declared emergency, students will be released ONLY to persons designated on this card.
- In a declared emergency, parents/guardians may be directed to a relocation site off campus to be reunited with their child when it is safe to do so. Unless directed, **do not come** onto the school campus as this will risk impeding and obstructing emergency responses.
- Parents/guardians are encouraged to discuss the Prout Emergency Procedures plan with their child and are responsible for informing students what they should do in case of an emergency, disaster, or event.

- Parents need to give specific directions to each student to follow the policy outlined above and to follow the directions of school personnel.
- School authorities will do everything possible to care for each student while he/she is under Prout supervision.
- It is critical that students **do not** have directions from parents/guardians that are contrary to the School's stated policy on retention at school and authorized release in case of a severe emergency.

## **SCHOOL NURSE**

### **MEDICATION**

All medicine, including over the counter pain relievers, is required by law to be stored and locked in the School Nurse's office. Medication may only be administered by a registered nurse, and requires a physician authorization/signature and parent authorization to be dispensed at school. Students may not self-medicate while in school. Medication forms are available on the school website. These forms should be completed and returned to the School Nurse before school opens. All medical conditions and allergies should be disclosed to the Nurse as well as indicated on all Field Trip Permission Forms.

### **SERIOUS ILLNESS/INJURY**

If a student is seriously ill or injured, the classroom teacher should inform the Main Office immediately. If able, the student should be escorted to the Nurse's Office. Otherwise, the Main Office will send the nurse to the student. The School Nurse or designated person will dial 911 for emergency assistance if necessary.

Parents are to make sure that their children are dressed appropriately for school. Prout students are expected to be neatly dressed and well-groomed at all times, just as they would be at a job where dress clothes are required. Boys must be clean-shaven. The dress code should foster a positive attitude of respect for one another. **Students not in compliance with the uniform code may be sent home. ALL items must be purchased from Donnelly's School Apparel.**

## **HAIR**

**DISCIPLINE CODE**

**GENERAL PENALTIES FOR VIOLATION OF SCHOOL REGULATIONS**

The penalty system and discipline code is reviewed at the end of each academic year by a board of administrators, faculty, parents and students. The purpose of disciplinary penalties is not simply to punish but to correct behavior and develop an understanding that repetitive misconduct, even of minor infractions, is disruptive.

**The Dean of Students administers the Code of Discipline, in the name of the Principal. The Prout School requires that all of its students obey the rules and regulations of The Prout School and act in a manner that demonstrates respect for the administration, faculty, staff, and each other both in and around school and at school events. We believe that true discipline is imposed by individuals upon themselves and that the relationship between a school and its students depends on mutual trust and respect. When this relationship breaks down there are school-imposed consequences that are designed to remind the student of the school's expectations in this regard. The Prout School expects the student and the student's parent(s) to cooperate in accepting the disciplinary correction. Continuing enrollment at The Prout School is dependent on this acceptance.**

#### **Class I Offenses**

A student whose behavior outside of the school jeopardizes the school's good name may, at the discretion of the Administration, be asked to leave the school, do home study, be barred from participation in any school activity, or be subject to other disciplinary actions.

## **Detention**

Students may be assigned detention by the administrators for Class I or II Offenses. A faculty member may assign detention for Class I Offenses or uniform violations to a student. If a student feels that an assigned detention was unwarranted, it should be appealed to the person issuing the detention. The Dean of Students, Vice Principal and the Principal will determine all appeals.

## **Teacher Detention**

Students are required to attend a teachers' detention first for Class I Offenses. If a student fails to complete a teachers' detention then an office detention will be issued for failing to report to the teachers' detention. The student will be required to complete both the teachers' detention and the office detention. Teacher detention dates and times will be at the discretion of the teacher. The teacher will notify the students' parents. Notification and incident details are to be documented on the Detention Form. The student will have 48 hours' notice to serve detention and be informed why they have detention. Students placed on Disciplinary Probation will not be allowed to continue as a member of an athletic team or activity for the length of the probation. Disciplinary Probation is assigned by the Dean of Students.

## **SUSPENSION**

A student may be suspended from school for chronic misconduct or serious disciplinary violations. These situations, which may result in suspension, will be judged on an individual basis. In-school suspensions are administered by the Dean of Students and may include after school activities. The focus of discipline is corrective and every effort is made to correct the type of action that incurred the violation. Consequences may be tailored to best fit students' responses and the need to achieve appropriate correction.

When a student is suspended from school or receives in-school suspension, parents are notified. The parent may be required to accompany the student on his/her return to school and meet with a member of the administration.

While serving an in-school suspension students will complete class assignments, tests, etc. and must leave to school campus at 2:30 pm while under suspension. Students may not participate in or attend any extra-curricular activities while under in-school suspension.

Out-of-school suspended students may not enter school property while serving their term of suspension. Students may not participate in or attend any extra-curricular activities while under in-school or out-of-school suspension. No special arrangements will be given to allow students to makeup missed work while on out-of-school suspension.

3. Students will eat lunch in the ISS room.
4. Assignments will be collected at the end of the day and forwarded to teachers.
5. ISS students must leave school grounds at 2:30 and may not participate in any after school sports or activities.

#### **STUDENT ACTIVITIES**

Extracurricular activities are an important part of student life. Activities are a time for students with varied interest to meet and share their talents. In a school such as Prout, we look to parents and other volunteers to strengthen and broaden the scope of offerings for our

students. To participate in any extracurricular activity including prom, a student must be in good standing academically and as a citizen in the Prout community. Students must realize that being part of a student activity or a club means that they represent, not only themselves, but also The Prout School. Thus the school community expects all its members to represent themselves and their school in a respectful manner. Behavior must be in compliance with regulations and goals expressed in this handbook.

The Student Council officers are: President, Vice President, Treasurer, Corresponding Secretary, and Recording Secretary.

### **STUDENT COUNCIL ADVISOR – Mrs. Suzanne Paquette**

Given its importance, the Student Council meets regularly during the school day to supplement its other weekly meetings. The purpose of these meetings is to permit the officers, classes and committees to discuss information and matters of concern to the whole council. The council bears the responsibility of disseminating that information to the student body.

The eligibility requirements for students seeking elected student council or class officer positions are as follows:

1. Students must be passing all courses to run for office.

Elected to the Society by faculty and administrators, these students have given clear evidence of high character, consistent academic achievement, leadership, and service both inside and outside of the Prout community. Continued membership in the NHS is contingent on the student's maintaining the same high moral and academic characteristics required for admission.

The National Honor Society Moderator will timely issue guidance as to what constitutes the clear evidence required for membership in the Society. Beginning Academic Year 2016-2017, a minimum GPA of 3.6 is required for consideration for admission to the National Honor Society.

## **REGULATIONS FOR STUDENT ACCEPTABLE USE OF TECHNOLOGY RESOURCES**

The Prout School provides technology resources to its students and staff for educational and administrative purpose. School technology resources include but are not limited to the intranet, internet access, fax, e-mail, computer programs, and telephone. The goal in providing these resources is to promote educational excellence by facilitating resource sharing, innovation and communication with the support and supervision of parents, teachers, and support staff. The use of these technology resources is a privilege, not a right. Student use of such resources will be monitored and students have no reasonable expectation of privacy in their use of resources.

The Prout School fully endorses the use of the Internet and related technology resources as educational tools. Access to information, research sources, people and computers throughout the world is available to students. The school is committed to restricting access to questionable material and to limiting inappropriate use by having installed filtering software, direct supervision and student education. Control of all on-line activities is impossible. Therefore, all users who have access to the school's Internet and related technology resources are required to adhere to strict ethical and legal guidelines. It is the expectation of the faculty and administration that all students will adhere to the regulations stated below. If the Prout School users violate any of these provisions, their access via the school may be terminated, and the use of the school's technology resources in the future may be denied. In addition, a student who violates these guidelines will be subject to disciplinary action up to and including suspension/expulsion from school.

The Prout School recognizes that parents and guardians of minors are ultimately responsible for setting and conveying the standards that their children should follow when using media and information resources. We encourage parents and guardians to enforce the same standards when their child uses their home computer. If a student's behavior on social media forums outside of the school, on their personal devices, may still result in discipline by the school if such conduct reflects poorly on the school or harasses other students.

### **Student Compliance Agreement**

***I understand that access to the Internet and related technology resources from the Prout School must be in support of education and research, and I agree to the following:***

- I will refrain from accessing any news groups, links, list-servers or other areas of cyberspace that would be offensive to any students, teachers or parents due to racial, ethnic or minority disparagement, or pornographic, violent, illicit or illegal content.

- I understand that I am responsible for monitoring and appropriately rejecting materials, links, dialogue and information accessed or received by me. If any material appears on screen that is unacceptable or makes me uncomfortable, I will close out of such materials immediately or, if the system will not allow me to close out of the materials, shut off the monitor and notify the supervising teacher.
- I accept responsibility for keeping copyrighted software from entering the school via the Internet. Therefore, I must not download games, music, graphics, videos or text materials that are copyrighted.
- I understand that plagiarism is unacceptable and accept responsibility for using downloaded text in an appropriate manner. I will not post, distribute or use without permission material that was created by someone else.
- I will be courteous and use appropriate language, refraining from swearing or using any forms of obscene, harassing or abusive language. If I am a victim of such harassment, I will report the abuse immediately to the supervising teacher or principal. If another user asks that I no longer communicate via email, I will stop all contact immediately.
- I will not reveal personal information including addresses (home/email) and phone numbers of others or myself.
- I will not lend any assigned user accounts or passwords to others.
- I understand that system operators and the administration will have access to all user accounts.
- If I am not sure of how to do something on the computer, I will ask the supervising teacher.
- If I suspect a security problem related to my school's accounts or on the Internet, I will notify the supervising teacher or principal and cease using such functions
- I understand that any user legitimately identified as a security risk or with a history of problems with other computer systems may be denied access to the Internet through the Prout School.
- I understand that any user attempting to maliciously harm or damage data of another user or an area of the Internet, including the introduction of computer viruses and the unauthorized use of debit or credit cards, will be denied access to the Internet through the school and will be subject to disciplinary procedures.

***To the extent a student's participation in social media while outside the School reveals his or her identity as a school student or contains content about the School, the student must strive to protect the reputation of the School. Like in all forums, when a student's conduct online reflects poorly upon the school, the school may take disciplinary action. The following are specific guidelines governing social media participation and use of social communications outside the school:***

- Nothing is private and anything a student posts will remain public for a very long time. A student should not rely upon privacy settings in websites. Online conduct can easily fall into unintended hands – teachers, other students and strangers - when those settings fail, the website is tampered with or when intended viewers share the content with other individuals.
- Unless a student's social media participation is explicitly for a School-approved reason, social media identities, online profiles, logon ID's and user names should not specify the identity of the student as a student of the school.
- Protect school information. Refrain from sharing examples of classroom situations or personal information about other students.
- To the extent there could be any confusion as to whether the student is speaking on behalf of the school, the student should make clear that the views expressed are the student's alone.
- Students may be disciplined for inappropriate or harassing conduct even when not at school or using school property.
- Students should not respond directly to a journalist online regarding issues that concern the School. Refer the inquiry to appropriate School personnel.
