Peer2Peer Mental Health Awareness

Peer2Peer Goals

01

Educate

P2P plans to educate it's student members about depression, anxiety, suicide, coping skills, and other mental health issues

02

Support

P2P is creating a school-wide mental health awareness campaign.

03

Reduce Stigma

P2P is promoting our core messages to help people feel comfortable with asking for help with mental health.

Peer2Peer Core Messages

01

Depression and Anxiety are real brain illnesses

02

Professional help is effective for Depression and Anxiety

03

Depression and Anxiety can take many forms - it looks different from person to person

04

If you know someone who is talking about suicide, **DO NOT KEEP IT A SECRET.** Tell a trusted adult immediately
